Public Notification

City may require that applicant deliver written notice to all owners or occupants of real property abutting the boundaries of the area in which the event will be conducted. The notice must include the following information: event date, time, location, and a statement that an application for a Special Event Permit has been filed.

Other Permits & Fees

Attach copies of any required insurance, surety bonds, permits or other documents described in Section 98 of the City of Canyon Code of Ordinances or in this application.

Cleanliness

Applicant shall return public spaces to a clean and orderly condition and replace all City property to its original location. Applicant shall pay for the cost of replacement or repair of any damage to the facility or equipment within that public space caused from the use thereof. Applicant shall refrain from applying any permanent or semi-permanent markings to roads and pedestrian pathways without prior approval.

Damage or Loss of Materials

When events are not operated or sponsored by the City, the City shall not be responsible for damage or loss of materials used or left in any public spaces and does not assume liability on groups or individuals attending an event within said public spaces.

Insurance

No event permit shall be issued for a special event, parade, or race, until the applicant has filed a certificate of insurance, indicating that the required insurance to repair or replace any damage to publicly owned property within or adjacent to the event. Insurance policy shall be in force and effect during the period of time of the event and lists the City as an Additional Insured. Such insurance policy must be in the face amount of not less than ten thousand dollars (\$10,000.00), and issued by a company licensed to issue such policy in Texas. This provision may be satisfied by either a special policy issued solely for the event or, by a standing liability policy maintained by the applicant year round, so long as it meets the requirements of this subsection. Applicants have the right to show cause when the insurance requirement should be reduced or waived, and to attach such request with the submitted permit application. The City

Manager will review requests and may increase, lower, or drop the insurance requirement based upon review of the event application.

An applicant may be required to furnish additional liability insurance based upon the type of event, equipment, machinery, location, alcohol related exposures, number of people involved, and other pertinent factors or risks associated with the event. Final determination of the amount of additional insurance necessary will be made by the City Manager.
